

SUMMARY OF EXAMINER INTERVIEW

Applicants would like to thank Examiner Haoshian Shih for granting a telephone interview on Aug. 21, 2008. Applicant's Representative, Nema Berezny pointed out that the USC paragraph quotation for claims 1-8, 10-16, and 18-24 cited 35 USC 102; however, the substance of the claim rejections appeared to be USC 103 rejections. Examiner Shih agreed that the claims were intended to be rejected under USC 103, and that the paragraph citation should also have been 35 USC 103. Examiner Shih agreed to produce a corrected Office Action, citing the correct USC 103 rejection paragraph.

An Office communication was mailed on Sept. 8, 2008, along with an Interview Summary. Examiner Shih stated that the above claims should have been rejected under 35 USC 103.
